

Dear Applicants of the 2017's round,

This guide is made for your help in the online application process in the round of 2017. It will contain useful hints and screenshots with explanation.

- ! **Only those applications are valid and acceptable that were submitted online in the official application system.**
- ! **One person is allowed to submit one application only! (If you wish to restart, please erase the whole application)**

BEFORE GETTING STARTED:

Use computer for the application instead of mobile phone or tablet.

Internet Explorer, Mozilla Firefox and Google Chrome support the online application system.

Prepare your necessary documents!

Best if you save them into one folder on your desktop and upload them all from there:

**Please do not use
large size files!**

Motivation letter

Study certificate(s)

Language certificate(s)
Convert them to CEFR levels*

* - CEFR = Common European Framework of Reference for Languages
<http://europass.cedefop.europa.eu/resources/european-language-levels-cefr>

PREPARATION:

Make sure to read the Stipendium Hungaricum Programme's:

- **Official Website:**
www.stipendiumhungaricum.hu
- **Call for Application:**
http://www.tka.hu/docs/palyazatok/20170119_call_for_applications_2017_20181701191427.pdf
- **List of Available Study Programmes:**
<http://www.tka.hu/getDoc.php?doc=3141dfc5f8ca656e9c87a3fd89961e509e3d124c>

Please select the courses from the list provided on the website.

You can also contact the higher educational institutions at contact persons provided in the list (*Excel file*)

Once you know where to apply, you must register your choice in the online application system.

APPLICATION SYSTEM

www.scholarship.hu

Register your account in the application system!

The left screenshot shows the 'CALL FOR APPLICATIONS' page with a 'Register' button highlighted. The right screenshot shows the 'Regisztráció Registration' form with fields for Username, Password, Email, and a 'Register' button.

You need to have a valid, working e-mail address during the whole application and admission process!

From now on all communication will be sent to this e-mail address only!

Please if possible do NOT use hotmail; yahoo.fr, Outlook.com

Then, switch to English and log in:

The screenshot shows the 'CALL FOR APPLICATIONS' page with a 'Login' button highlighted by a red arrow.

The screenshot shows the 'CALL FOR APPLICATIONS' page with a 'Login' button highlighted by a red arrow and an 'Archive' button.

Fill out the personal information for the CV details:

Faculty 1:	Faculty of Sciences
Study programme 1:	Biology
Study level 1:	BSc
Language of instruction 1:	English
Qualification 1:	Biologist
Duration of studies (semesters):	6
Short description of the study programme:	The programme provides a complete education in biology and also a number of specialised tracks such as neurobiology, genetics, microbiology, animal and plant ecology, botany, zoology, and plant physiology. These specialised tracks, which feature from the second year, are incorporated into two modules: intraindividual (involving more laboratory practice and cellular biology courses) and supra-individual (involving more ecology courses). Each module comprises 5-8 subjects. Both these and the basic subjects are taught by means of lectures, seminars and laboratory work. The programme also provides a broader perspective of the

What's next?

DEADLINE:

**5th March 2016.
24:00 (12 pm) – CET**

If you have submitted your application, you can still edit it until the deadline.

At the deadline only the submitted applications will be considered as valid.

We highly recommend you to print your finalised application form from the online system as most of our partners will require it from their applicants.

**For particular details about the application,
read
the Stipendium Hungaricum Programme's
[Call for Applications 2017-2018](#)
on the [website](#).**
