International Baccalaureate – IB Schools

- A globally recognized rigorous curriculum used by thousands of schools around the world. **Successful completion of the DP, a two-year course of study, is the key component that allows students to seek university entrance** [\(6 subject groups\)](#) .
- Students take **some subjects at higher level (HL -240 teaching hours)** and some at standard level (SL – 150 teaching hours).

SZTE

IB Diploma – with High Level Subjects: A diákok mentesülhetnek a felvételi vizsga alól, ha két természettudományos tárgyból (biológia, kémia, fizika vagy matematika) és angol nyelvből 5-ös osztályzatot érnek el (bizonyos karok esetében elegendő a 4-es angolból)

Predicted grades: a második félév megajánlott / megjósolt jegyei feltételesen felvett státuszra jogosítja a jelentkezőt.

British National Curriculum - GCSE

- International schools with a British national curriculum model often use either the [Cambridge Assessment International Education](#) (CAIE)
- Instruction for British secondary students focuses on the **GCSE** subject exams and later the **A-Level (Advanced level)** exams (Key Stage 5).
- **Key Stage 4** follows years 10 and 11, and includes a set of national exams for students whose first language is not English, the **IGCSE** [International General Certificate of Secondary Education] exams may be taken.)
- The Cambridge Assessment International Examinations (CIE) board, aligned with the University of Cambridge, offers international AS and A Levels.

SZTE

A diákok felmentést kaphatnak a felvételi vizsga alól, ha három természettudományos tárgyból (biológia, kémia, fizika vagy matematika) és angol nyelvből jelesre vizsgáznak.

Predicted grades: a második félév megajánlott / megjósolt jegyei feltételesen felvett státuszra jogosítja a jelentkezőt.

U.S. Curriculum – AP exams

In the U.S. system, grades are based on your performance on a variety of assignments, and there is far less emphasis on examinations. Lack of central High School Leaving exams

Advance Placement Courses: The Advanced Placement (AP) programme and curriculum is a **rigorous and challenging educational program designed to prepare high school students for college-level coursework.**

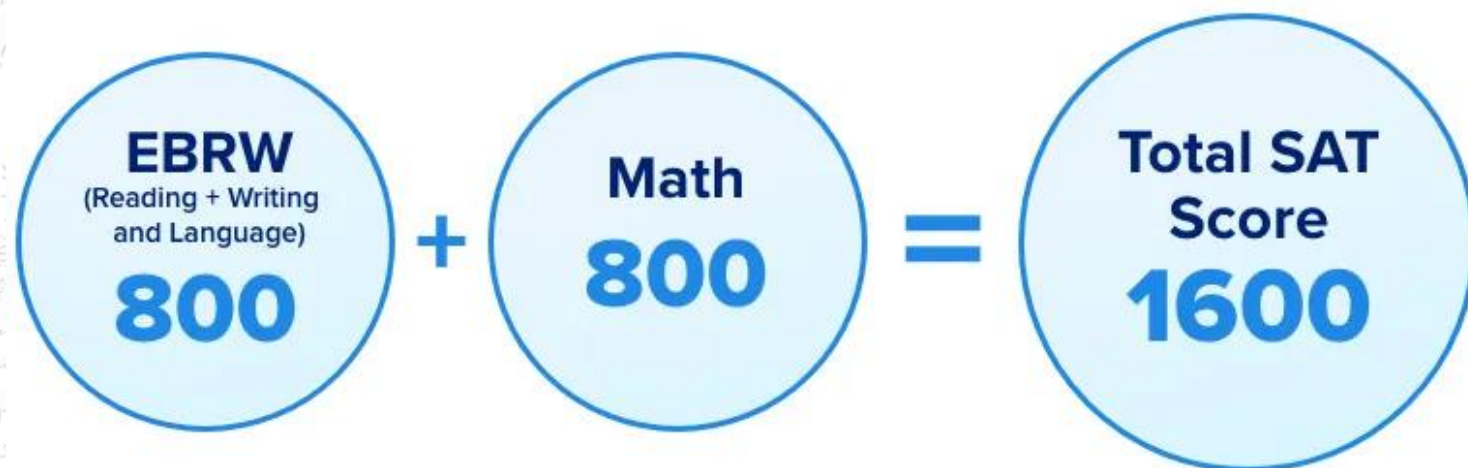

Curricula is developed by College Board (also responsible for SAT tests). All AP course ends with AP exam (5 is the best score). Exam scores will be awarded in the US universities - in some cases, even if the score is above 3.

AP courses are accepted for Admission, meaning no entrance exam is necessary: over 60 countries around the world, including by some in the UK, Austria, Denmark, Germany, Holland, Hungary and Poland.

SZTE

A Gazdaságtudományi Kar a zöld tartományban lévő eredményeket fogadja el, ami matematikából 530-800 pontot jelent. További információk a tartományokról itt találhatók: <https://satsuite.collegeboard.org/k12-educators/about/understand-scores-benchmarks/benchmarks..>

SAT Subject Tests

Math	• Math Level 1 • Math Level 2
Science	• Biology E/M E= Ecological, M=Molecular • Chemistry • Physics
English	• English Language
History	• US History • World History
Foreign Languages	• Spanish w and w/o Listening • French w and w/o Listening • German w and w/o Listening • Chinese w Listening • Japanese w Listening • Korean w Listening • Latin • Modern Hebrew

Guidance Departments - in general

Wikipedia: A **school counselor** is a certified/licensed professional that provides academic, career, college readiness, and social-emotional support for all students. There are school counselor positions within each level of schooling (elementary, middle, high, and college). By developing and following a school counseling program, school counselors are able to provide students of all ages with the appropriate support and guidance needed for overall success.^[1]

High School Counserlors

- Behavioral, Academic, Aptitude and College/Job Counseling.
- Bridge Between Students, Administrators, Teachers and Parents.
- Maintain Student Records.
- Make Referrals to Outside Agencies.
- Identify and Address Issues That Interfere With Education.

The [high school counselor job description](#) includes assisting students in making academic and career plans. They may work one-on-one with students experiencing personal problems. They might also work on a larger scale to educate students about drug abuse, bullying or other significant issues high schoolers face.

High School Counselors a gyakorlatban

- Sokoldalúság, Elfoglaltság
- Nyitottság: utazások vs. egyetemek képviselőivel tartott személyes egyeztetések.
- University Fairs megrendezése helyben
- Rendezvényszervezők bevonása

High School Counselors a gyakorlatban

Külsősök bevonásának előnyei:

- Nincs szükség minden középiskolával egyeztetni
- Egy nap több helyszínre is eljutunk
- Nagyon tudatos, jó szociális háttérrel bíró jelentkezőkről van szó

Contra

- Versenyhelyzet
- Kevés feliratkozó?
- Rossz időzítés?
