ENTITLEMENT TO HEALTHCARE SERVICES

According to the rules of the European Parliament and Council Regulations 883/2004 (EC) and 987/2009 (EC), scholarship-holders who are citizens of either the European Union, EEA member countries or Switzerland are entitled to healthcare services in medical necessity during their stay in Hungary.

Healthcare services in medical necessity during their stay in Hungary are available for scholarship-holders with the European Health Insurance Card (E111). Medical necessity is determined by the physician who considers the given circumstances. Scholarship-holders should obtain the European Health Insurance Card in their home country prior to the arrival to Hungary.

Further important information: healthcare services can only be provided – according to the equal treatment principle of the European Union - by those healthcare providers that have contractual relations with the National Health Insurance Fund (NEAK). The scholarship holder has to cover the costs of those services that are provided by a private healthcare provider that has no contractual relation with NEAK.

Citizens of all other countries - who wish to stay in Hungary for more than 1 month - are covered for medical treatment in case of sudden illness by the Hungarian party. This insurance does not cover dentistry services, with the exception of urgent treatments. Health insurance covered by the Hungarian party is only available for scholarship holders under the age of 65.

Scholarship-holders staying in Hungary for less than 1 month are required to make their own arrangements for insurance coverage.
