

OCSC INTERNATIONAL EDUCATION EXPO
งานมหกรรมศึกษาต่อต่างประเทศที่ใหญ่ที่สุดในไทย
WWW.OCSCEXPO.ORG

The 19th OCSC International Education Expo is the biggest international education event in Thailand.

This not-to-be-missed event brings in over 350 leading institutions from over 25 countries.

In addition, students will find information on flights, visas, accommodation type, health insurance, foreign exchange, student ID and also seminars or lectures on how to have a successful international experience.

This event provides an excellent platform for students to meet representatives of several foreign institutions in order to obtain all the necessary information for a holistic international educational experience. Lots of courses will be offered, from high school to MBA to doctoral, language courses, technical schools and internships.

Educational institutions may look forward to meeting around 15,000 students/parents.
