Employment information

Why is it good for the students?

It can provide them a

- possibility for boosting their professional network
- forum to connect and re(unite) with your former fellow students and Hungarian alma mater
- exclusive access to our newsletter about Hungary (professional events, cultural, educational news, etc.)
- unique online services

Why is it good for the sending countries?

Students return home with

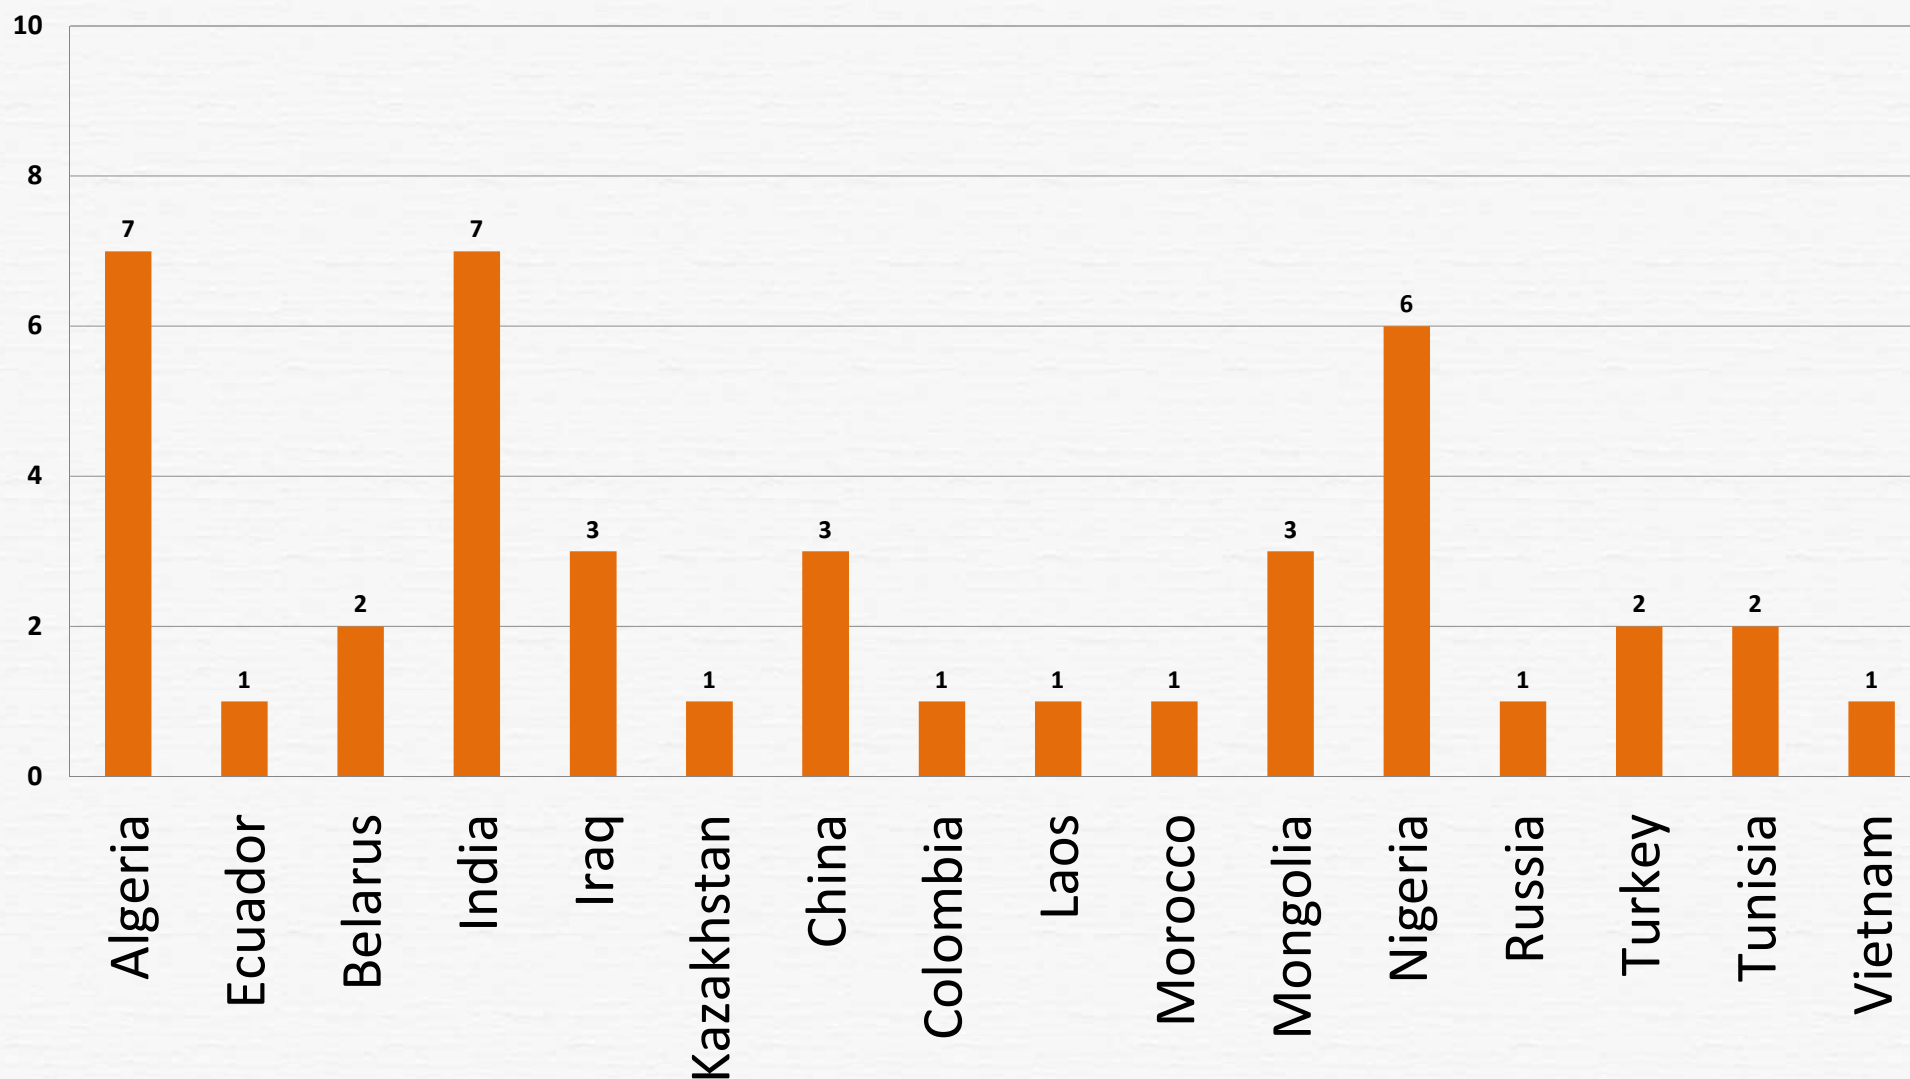

- important professional **knowledge** and **experience**
- social capital & **broad network**

gained in Hungary.

Sending country can benefit from these in a long-term.

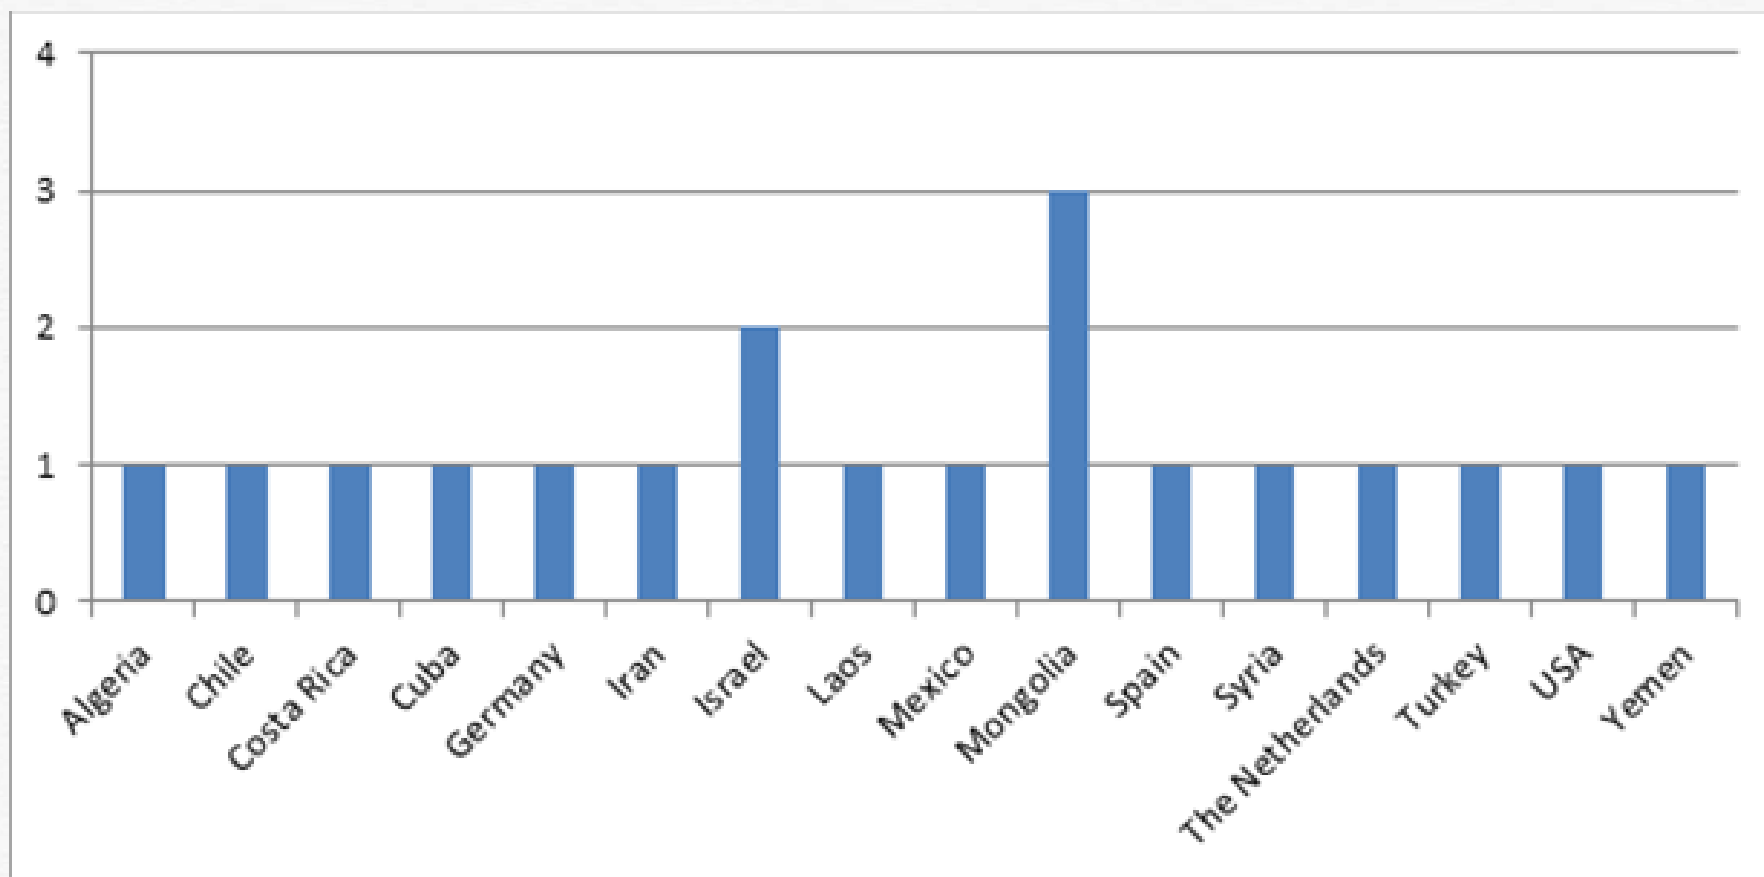

Number of (young) volunteers by sending countries

Number of senior members by country of origin
